DINE IN, CHILL OUT IN THE NORTH YARD

Dine in, chill out and get to know the North Yard. You might have heard about Camden Market's famous street food, but there's so much more to discover in the North Yard, from our very own neighbourhood pub The Farrier, to an entire restaurant dedicated to dairy, The Cheese Bar. Plus, it's now home to trending dessert spot Humble Crumble.

WORLD FOOD IN WATERSIDE HALLS

This canal-side spot is one not to miss if you're looking for global dishes, viral sensations, independent retailers and plenty of seating. Enjoy everything from handmade pasta to Neapolitan pizza, Korean bibimbap, or a super sweet treat – the chimney cake. Waterside Halls is also perfect for families, with step-free access and changing facilities.
